### **C. Small Group Worship Practice:**

- Form small groups of 5-10
- Go around the group where each man will spontaneously do one of the following:
  - Quote any Scripture of any length
  - Say a prayer
  - Sing a verse of a song
  - Give a blessing (either to God, i.e. "God is Great" or someone in the group, i.e. "John is a very honest brother")
  - Share a brief teaching/insight (1-2 min. max) from the Bible or spiritual life
  - Make a witness (i.e. What God has done for me, how I was converted, etc.)

Keep going around the group until time is over or no one has anything left to say.
