1. On a scale of 1-10 (1 being **not** important and 10 being extremely important) how would you rate the importance of church attendance? Why this rating?
2. What don't you like about public church services? Like?
3. What is the number one reason you attend/don't attend worship services?
4. What do you want to "get" when you attend a worship service?
5. Is one church's worship service as good as another? Why? Why not?
