

HOW TO LOVE SOMEONE YOU HATE

7. Win the Peace

1. Give an example in your own life where your goal was to win the war and not win the peace.
2. Why is it not always possible to win the peace with everyone? Provide personal examples if possible.
3. What kinds of things do you think may be blocking the peace you seek with the person you are at odds with?
4. Select a person to lead a prayer for God to remove the roadblocks to peace in your situation.
