

Each quarter we continue to receive many comments and longer letters from people in various countries concerning our site, Bible issues, personal problems and advice on how to proceed in one's spiritual walk. We do not have the time or space to show you all of these but have selected the following two letters as samples of the fruit that our teaching site continues to produce to God's glory and in service to the church wherever it meets around the world.

Hi Mike, I just wanted to drop you a quick message because I wanted you to know that I was baptized last night at 8 p.m. March 13th 2018. I wanted to communicate this to you because it was last September when I began seeking God and it was through BibleTalk.tv that I started to do this with the Genesis series. I went about things in somewhat of an unusual way starting at Genesis rather than the gospel but I didn't know where to start so I started at the beginning with Genesis. After reading the Bible a few times I did find a Church of Christ and then I was baptized/saved. I thought you might like to hear this great news as God used you in such a consequential way to reach me and a disciple was made! I study the Bible a couple of times a week with three other ladies from the church, however, I also continue to use BibleTalk.tv daily. I thank you and commend you for your hard work and commitment it is a blessing to me.  
God bless,  
A.F.

Greetings from Qatar. I'm a member of \_\_\_\_\_, Christians, a home church hosted by my family. We don't use instruments in our worship because most of our members have the background of Church of Christ. Because of the laws in Qatar we neither have elders nor deacons. All men who have submitted to the teachings of Acts 2 to become Christians are encouraged to teach. I just finished your teaching on Ephesians and got a partial answer to my question in lesson 12. I do have a question; Is the speaking in Ephesians 5:19 and Colossians 3:16 congregational or individuals considering 1 Corinthians 14:34-35 and 1 Timothy 2:11-14? Thanks for considering my request.  
Sincerely,  
A.G.I

Mike filmed "Les Actes des Apôtres" this quarter completing the series Luke/Acts for Beginners in French. This material will be sent to the preacher training schools at Cap Haitien and Port-au-Prince in Haiti as well as the French-speaking Churches in Canada and Europe.

Mike traveled to Sparta, TN to present a seminar on Unlimited Growth to the congregation there. If you are interested in this event for your group. Please visit: [bibletalk.tv/speaking](http://bibletalk.tv/speaking)
